NIS CHAPTER IX MEMO NO. 21
(Revision)

DATE: 6 September 1955

MEMORANDUM FOR: NIS Chapter IX Contributors

SUBJECT: Order of Authority Names in Section 19

1. Since the release of NIS Chapter IX Memo 21, the Office of Basic Intelligence has reconsidered the policy for placement of foreign-language authority names in Section 19 and has reversed the former ruling.

2. Effective immediately the policy will be the same as that in effect for Section 90 of Chapter IX, i.e. foreign-language authority name first followed by the English translation in parentheses the first time the authority is mentioned and as often thereafter as the author and/or coordinator deem advisable (see Memo 20).
